Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 06 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry in the south. Outbreaks of rain in north.

This Evening and Tonight:
Patchy rain or showers across the north and northwest, occasionally heavy over the Northwest Highlands. However, much of the country will be dry with a few clear spells in the south.

Sunday:
Mostly cloudy with the best of any brightness in the south. Outbreaks of rain across the north, perhaps pushing into the Central Belt later in the day.

Outlook for Monday to Wednesday:
Monday mainly cloudy but rain becoming patchier with a few places brightening up. Mainly dry on Tuesday, brightening up after a cloudy start. Turning wet and windy on Wednesday.
